**Do Wilmington residents
want protection?**

Bloodmobile next Monday

There are many disasters that can befall the members of the human race, and today, for an average family, to suddenly discover that there is no "blood coverage" is a disaster, if there is a sudden need. The result is a series of events - frantic telephone calls, beseeching requests from fellow lodge members or fellow employees. For blood, when it is needed as the result of an accident or illness, is needed now, not tomorrow.

The American Red Cross, through its bloodmobile has instituted a method for communities to stave off the disaster of not having human blood when needed. It is, literally speaking, a life saving service.

Wilmington, several years ago donated enough blood to become a community which was 100% protected, for blood needs. This was because several hundred community minded citizens responded to the call for blood, when the bloodmobile visited.

Several hundred, out of a population of nearly seventeen thousand. In fact that was a pitifully small response, but the American Red Cross recognized the effort, and 100% coverage for blood needs was awarded.

But disaster, in a sense, struck Wilmington on last May 20th, when only 95 pints of blood were donated to the Red Cross Bloodmobile. It had been a nice weekend - and everyone, seemingly, took off for a spring vacation.

As a result Wilmington was left without Blood Coverage, this summer. That condition still exists. If a disaster had struck, what would the people of Wilmington have been able to do?

The Bloodmobile, sponsored by Friendship Lodge of Masons, will be at the Methodist Church Monday, from 2 pm to 7:45 pm. Reservations for a special time to donate blood can be made by calling 658-4832 or 658-2541.

Will the people of Wilmington do their part? Will there be a supply of blood on hand, if there is a sudden need, in the community?

Next Monday afternoon will tell the story - at the Methodist Church. If there is a sufficient donation of blood Wilmington will again have a 100% Blood Coverage program.

If there isn't.....

Second annual

Walkathon to be September 29th

The second annual Walk-a-thon of the Wilmington Community Fund is to be on September 29th.

The Walk-a-thon is a fund raising activity of the Wilmington Community Fund, in which young people, and others, including a few old-timers, walk twelve miles around Wilmington to earn money promised by sponsors. Thousands of young people participated a year ago, and earned close to \$7,000 for the Wilmington Community Fund.

One past King Lion has stated that the Wilmington Lions Club can outdo both the Wilmington Rotary and the Wilmington Kiwanis, combined.

The Fr. Croke Council of the Knights of Columbus have put out a challenge against the Wilmington Sons of Italy, for this year's Walk-a-thon. Twenty officers of the K of C walked the entire distance, last year.

The Wilmington Crusaders, Mayflower League state champions in Class C, Drum and Bugle Corps, will participate, both as marchers and to provide music.

Boy Scouts, Girl Scouts, Camp Fire Girls and Little League are among those organizations which are supported by the Wilmington Community Fund. The fund also donates to the Cerebral Palsy appeal, the USO and an emergency relief program for residents of Wilmington, and others.

The Wilmington Minute Men, in their Colonial Uniforms, are to take part.

The big question, this week, among Community Fund officials, is: Will someone outdo the sponsorship of Fred Larson? Mr. Larson, last year, sponsored the gig in which the Odyssey of Harry Johnson was performed, and \$250 was earned thereby for the Community Fund.

Mr. Larson, last year avowed that he would defend his championship. One source, a member of the Community Fund, has quoted him as saying that he would walk the distance barefooted, if necessary.

Check in and Registration of walkers will be from 7 to 8 am on September 29th (Sunday) and the start of the Walk-a-thon is scheduled for 8 am.

The Walk-a-thon, this year, will not go to the Harnden Tavern. Instead the walkers will turn right onto High Street, and then to the Woburn Street School. In so far as is known there will be no other changes in the route.

The officers of the Wilmington Community Fund are hoping to raise \$10,000 through the Walk-a-thon this year. The young people who will be participating will be making solicitations for support, during the next two weeks.

Deming Way hot water pipes

Sin in cinders?

Did somebody goof, about seventeen years ago, when hot water mains were being laid from apartment building to apartment building, underground, at the Wilmington Housing Project at Deming Way?

Hot water for the forty apartments is supplied from one boiler. From that boiler, underground 2 1/2 inch pipes supply the hot water for the radiator heat, and one inch copper pipes supply the hot water for domestic purposes, in the forty apartments, and in the community building.

There have been three separate failures, in three different locations, in the last three and a half years. All have been underground.

The last failure was between the Community House and the first set of apartments. It occurred last week, and the Louis Florence Company of Woburn, general contractors, effected the repairs on Friday. Corrosion had eaten away

both a 2 1/2 inch pipe and a one inch pipe.

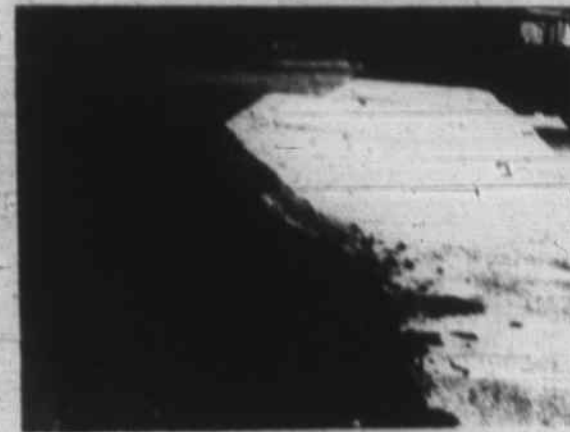

The cost of this repair job is estimated to be about \$2,000.

Workmen, on the job Friday, said they believed the corrosion was caused by electrolytic action

occurring between the cinders in which the pipe was buried, and the pipes themselves. They had a supply of clean sand in which to bury the new pipes, and believed that there would be no electrolytic action between pipes and sand.

THE NEW HOT WATER MAINS ARE BEING TAPED. To prevent electrolytic action, Anthony Flowers, above, is passing tape to Dave Johnston, in the ditch.

CINDERS AND COKE: dug from the ditch, and in which the pipes were laid, is at left. The new fill for the ditch will be clean sand (background).

SHOWING CORROSION: In the hot water heating main, (larger) and in a copper pipe used for transmitting hot water for washing purposes.

Cain was topped by Sullivan

Sixteen hundred and ninety voters turned out, Tuesday, to vote in the primary election in Wilmington, and Wilmington's Fred F. Cain, who generally tops all tickets, found that he was topped (by three votes) by Walter F. Sullivan, Mayor of Cambridge, and Democratic candidate for Sheriff of Middlesex County. Cain received 1053 votes and Sullivan 1056, out of 1304.

Mr. Cain, like Sullivan, is without opposition in the Democratic party, but Sullivan will have a contest in the November elections.

another who is without opposition is State Senator Ronald MacKenzie. Mr. MacKenzie, however, will also have opposition in November, for there is an Independent running for that office, Parker Weaver of Woburn, a member of the American Party.

Wilmington Democrats voted almost two to one for Mike Dukakis for Governor, a vote that is almost surprising in that there was no active organized workers for Dukakis in Wilmington.

The only persons to appear in behalf of Dukakis were Elpis and John Tsicoulas of Marcus Road, who campaigned in front of the polls for Dukakis. It seems to have been their first political effort. Mr. Tsicoulas, at times, has appeared to speak of neighborhood matters, at the selectmen's meeting, and on occasion has talked briefly in town meeting, but now he and Mrs. Tsicoulas have the honor of being the only Dukakis Workers, in Wilmington.

Youth endorses Sullivan

yes

We are young people between the ages of 18 and 35 and we endorse Walter Sullivan for Sheriff of Middlesex County.

Some of us never have been involved in politics before. Some of us have. We all have one thing in common.

We believe in our government and we believe that change can take place through government — through the system. The days of strikes and violence are over.

In spite of recent history, we believe that there are still some honest men in politics and in government.

That's why we endorse Walter Sullivan.

He's an efficient, sensible administrator. During the 15 years that he's been involved in politics and in government, he has given much and asked for nothing in return.

He's a Democrat and he's honest.

Join yes.

Let's elect a sensible sheriff

A lot of my customers ask for about finishing interior wood surfaces. I tell them that to bring out a pretty grain and the beauty of a natural wood surface there's nothing like a good stain, followed by two coats of a durable clear finish. Today's modern stains and varnishes are extremely easy to use. There are only three basic ingredients to successful staining and varnishing. They are: First — proper surface preparation; that is stripping removing any previous finish that may be on the wood surface, sanding and cleaning to have a smooth, clean and bare surface, on which to start. Second — good working tools, a lint-free cloth, such as cheese-cloth for wiping, good bristle or nylon brushes, sandpaper or steel wool. Third — the proper choice of stains and varnishes to accomplish the desired finish.

The best stain I know of is Res Interior Latex stain from Pittsburgh Paints. It comes in 36 attractive stain colors that provide traditional or contemporary natural wood beauty to interior furniture, paneling, moldings, doors, cabinets, wood floors and natural wood trim.

And to enhance and protect the beauty of your stained surface, we recommend Res Polyurethane Clear Plastic Coating over the stain. There's nothing like Res Wood Finishes to bring out the best in wood!

Red Cross Community Bloodmobile

The Lutheran Church of the Redeemer, Forest Park Road, Woburn, will sponsor its Fifth Annual Red Cross Community Bloodmobile at the church on September 17 from 1:00 to 5:00 p.m.

The church is centrally located just off Route 138. Take exit 30 north (Route 26), turn right at the first traffic light (Alfred Street) and follow the Red Cross arrows. Red Cross members come from Woburn, Reading, North Reading, Burlington, Wakefield, Melrose, Stoneham, Winchester, Wilmington, Lexington and Billerica.

Mrs. Warren Foster at the church office (823-6890) may be contacted for an appointment - or just come anyway - your blood may save a life. A nursery will be provided for donors with small children. Limited transportation will be available for those without cars.

Blood is in very short supply in hospitals throughout the area. Almost daily emergency calls for various types of blood are being broadcast by local radio and TV stations. Blood is needed to save and preserve the lives of many persons now hospitalized and others who should be operated upon but are denied because blood is not available.

Anyone between the ages of 18 and 65 who is in good health and weighs over 110 pounds may give blood. A donor can give blood every eight weeks up to five times a year. The individual donor may designate his blood for any person, group, or organization of his choice. If anyone donates to a group having 20 or more members, the donor or his family could receive up to two-thirds of the blood donated annually by the group, if the group representative so requests.

If the group to which the donation is made has 100 or more members and 25 per cent or more of the membership donates annually, the donor and his family will have unlimited credits made available to meet all of their blood and/or blood derivative needs.

Terrell to display at furniture supply fair

Hot melt adhesives for use in furniture assembly will be displayed by the Terrell Corporation of Woburn St., Wilmington, at the third International Woodworking Machinery & Furniture Supply Fair - U.S.A. September 21-25 in Louisville, Ky.

Taking charge of the exhibit for Terrell will be Henry E. Cooper, IV, sales manager, product assembly, assisted by Edward E. Gendreau, technical manager, customer service.

MacKenzie calls sub-conference for Bi-Centennial plans

Senator Ronald C. MacKenzie has announced that he is preparing a sub-conference on Bicentennial progress in his new Fifth Middlesex District.

The towns to be included in this conference are: Belmont, Bedford, Burlington, Carlisle, Chelmsford, Lexington, Lincoln, Waltham and Wilmington. Other neighboring cities and towns will also be welcome to attend.

Senator MacKenzie, a member of the State Bicentennial Commission, sees a need for effecting coordination and communication among the individual Bicentennial programs throughout the area.

The Senator said, "I think it is vitally important that the area where our Nation began be ready for our 200th Anniversary."

"I hope that through this sub-conference, we can gain a better grasp on the overall Bicentennial program in our area and problem areas yet unresolved."

A date has not yet been set for the sub-conference, but Senator MacKenzie stated he will have further details in the near future, including the name of the area coordinator to be appointed.

A Thrift Honor Award certificate was presented to Sweetheart's Credit Union recently by Examiner James A. Romond of the National Credit Union Administration. The award was made at the conclusion of the recent examination and is made to all Federal credit unions that have experienced a high average monthly percentage increase of shares in accounts up to and including \$50,000 during the period covered by the examination.

Credit unions are private organizations whose members have some common bond - occupational, associational, or residential.

Tickets for the concert may be obtained by contacting the Rec Office, or by calling 658-6279. Tickets are priced at \$2 advance sale, or \$2.50 at the door.

Only 500 tickets are available for each performance, and few remain, so those who wish to purchase them should do so as soon as possible.

On Friday and Saturday, September 13th and 14th, the Wilmington Recreation Department in conjunction with Friendship Chapter, Order of DeMolay will present a rock concert featuring "Sound Trek," in the Wilmington High School auditorium beginning at 8 p.m.

Sound Trek is known throughout the area as an exciting group, featuring dynamic, electrifying light show and a wide variety of music. They have played at such places as Olivers in Boston, The Frollicks Ballroom in Salisbury and The Surf at Nantasket Beach.

Can the selectmen close Ainsworth Road to trucks?

Wilmington's Board of Selectmen, Monday night, arrived at the conclusion that they could close down Ainsworth Road the "one-lane" street of North Wilmington to truck traffic. They then decided to, with the belief that this would solve some of the trucking problems on that portion of Andover Street.

Town Counsel Alan Altman, in a letter which was read to the meeting, said that Wilmington "does not own the fee in the limits of Ainsworth Road" and as a consequence the town may not prohibit the use of the premises by persons having authority from the owner or owners of the fee.

Mr. Altman then discussed the zoning, and found that a part of Ainsworth Road lies in an SRA (residential) District, and part lies in a Rural (residential) District, in zoning.

The use by trucks, in those portions of Ainsworth Road, he said,

may be inconsistent with the provision of the Wilmington Zoning By-Law. He cited a case in which the Supreme Judicial Court had ruled that a private access road cannot be used for a purpose not authorized by the zoning by-law. Mr. Altman suggested that there should be further investigation.

That sounded quite simple, to Wilmington's selectmen, and they were all ready to notify the Andover Road residents that there would be no trucking, from Corey's place of business on Ainsworth Road.

But perhaps it is not so simple. The Selectmen, sitting as an Appeals Board some months ago, on Official Map zoning, granted a variance to Screen Print, of Ainsworth Road, to use that road to Andover Street.

Does that variance also grant a permit to Corey?

That point was not considered by the selectmen.

Eighth District President's Club

Two Wilmington ladies are among the board officers of the Eighth District President's Club, which is to have its first meeting in Winchester, at the Fortnightly Club, on September thirtieth. The

meeting is to be at the Crawford Methodist Church.

Membership is of presidents and past presidents of the clubs in the Eighth District of the Massachusetts State Federation of Women's Clubs. Included in the district are clubs of Lynnfield, Malden, Melrose, North Reading, Reading, Stoneham, Wakefield, Winchester, Woburn and Wilmington. The president is Mrs. Loring A. Sprague of Malden.

Mrs. Alexander Goldworthy of Church Street is the Recording Secretary, and Mrs. Frederick L. Worby of Middlesex Avenue is a Director for a two year period.

NOMINATED FOR "OUTSTANDING" Young men, Selectman Mike Cohen, of Moore Street is on the list of the national organization of Young Men of the Year award. Mike was the only Selectman, Monday night, who wore a political pin on his coat showing his preference. The pin, at left, says Sargent and Dwight.

Pre-School Screening Saturday at Woburn Street and Shawsheen Schools

The Wilmington Public Schools are conducting a pre-school screening program for three and four year old children on two Saturdays (September 14th and 21st) at both Woburn and Shawsheen schools. It should be noted that because of the screening in accordance with Chapter 76B it is not likely that there will be any further screening by outside organizations such as has been the practice in the past when Kiwanis sponsored the speech and hearing screenings.

Dr. Harold D. Homefield, administrator of pupil personnel services urges all parents of three and four year old children to take them to Shawsheen or Woburn, and if possible, to include all kinds of medical information which may be helpful; such as immunizations, medical records, if any, and anything else that might be of help to the screening team. If no information is readily available parents are still urged to take their children and have them screened.

In order to give parents some concept of what this is about, two orientation sessions were conducted on September 9th at the high school; one in the afternoon and the other in the evening. At that time, the screening teams, consisting of two nurses, a speech and hearing specialist and a learning disabilities specialist presented their programs and indicated precisely what to look for.

For those who have not taken advantage of this opportunity Dr. Homefield wants to emphasize that the screening procedure will be non-threatening to a child. That there will be a "play" approach and that he will be tested for vision and hearing, speech and language ability and finally, that assessment will be made of his fine and gross motor abilities.

While it is not expected that there will be any large turnout at any one time, people are requested

to bear with the team if a large number of parents should show up at the same time. The entire process should take approximately 15 minutes. In case a large number do show up at once, every effort will be made to expedite the process. If a child should be found to be in need of in-depth testing, the parents will be notified at some time following the present screening procedures so that arrangements can be made for a joint meeting between parents and members of the screening team.

It should be noted that for three and four year olds the cooperation between parent and school will be highly essential in the development of any educational program. Those who have not registered previously, may register on the 14th or 21st at either Woburn or Shawsheen between 9:00 and 12 noon or 1:00 to 3:00 pm.

Members of the Wilmington Kiwanis Club will provide coffee and refreshments.

Jurors for October

The names of eight persons were drawn for jury duty, by the Wilmington selectmen, Monday night. All will start on October 7th.

To serve in the Jury Pool at Cambridge: Arnold C. Blake, 90 Middlesex Avenue; James D. Baker, 14 Oakridge Circle; Nancy Clark, 33 Floradale Avenue; Alfred S. Blackburn, 33 Concord Street; Theodore R. Wicks, 33 Gaudens Road and Irving Storme, 30 Johnson Avenue.

To serve in the Superior Court in Lowell: Michael J. Mulryan, 661 Salem Street, and Thomas J. Breen, 77 Middlesex Ave.

Margaret McGonagle assists prospective brides

The reception facilities of the Sheraton Rolling Green Motor Inn in Andover is where Welcome Wagon International will present an engagement party for recently engaged girls in the area.

On September 13rd at 7:30 pm the fun will begin. Many local businesses and churches are contributing their time and ideas to make this party a success.

The highlight of the party will be La Contessa Bridal and Formal Shop's formal gown showing. Mr. Saunders Formal Wear of Reading will have models to represent their complete line of formal wear fully coordinated with the bridal party gowns. All the floral arrangements will be supplied by Olive Village Flower Shop of Andover.

Many desirable gifts and furniture ideas, along with appliance and travel information, hints on how to take care of your stationary needs, carpeting ideas, bathroom decorating and necessary insurance information will be available, plus much more.

A representative list of sponsors who will have display booths are: Sutherland's Department store of Andover and Lawrence, Wilmington Carpet Outlet, Travel

Anywhere of Andover and Concord, Colonial Studio of Photography in Wilmington, The Furniture Barn of North Andover, the Bath House of Andover, RTA Appliance, The House of Favors of North Reading and the Prudential Insurance Company of Lawrence. All sponsors have contributed gifts to be presented to the prospective bride and there is no cost or obligation in attending, but admission is by invitation only.

To receive an invitation, contact Mrs. Margaret McGonagle of Welcome Wagon in Reading, or Terry McGonagle of North Reading, 944-0538 or 944-3876.

Refreshments will be served and the brides to be may invite guests to accompany them.

FRIENDLY NEIGHBORS: Four years ago Albert Sylva of Shawsheen Road tried to buy some adjoining land from the town, on Forest Street. There was 8900 square feet, and as he remembers the price it was \$2200.

Monday night Peter DeMare of Forest Street, also an abutter, was told the price was \$1750. This brought questions from Sylva and Mrs. Sylva - via How Come? The price, they were told, was determined by the Assessor, and now the chairman of the board of selectmen wants to know too - How Come?

Peter and Al decided to talk over the problem. Maybe they'll buy the land and divide it, who knows?

Planning Board unable to hold meetings

The Wilmington Planning Board has been unable to hold a meeting so far, during the month of September.

There are five members. One, William MacKinnon, resigned in August. The chairman, Arthur Harding, is enrolled in an evening course of studies in Boston, on Tuesday evenings, the regular meeting night.

That means that the remaining three members, Bill Hanson, Bill Hooper and Robert Leaky, must have 100% attendance, to have a quorum. This, so far, they have been unable to achieve.

Town Manager Sterling Morris has been seeking a replacement for MacKinnon for several weeks.

Army Reservists survey Silver Lake

SOME OF THE ARMY RESERVE DIVERS: Whitehead at Silver Lake last Saturday. L. to R. Sgt. Bruce Aldrich of Arlington; Corporal Bob Wallace of Hyannis and Sgt. William Ramies of Lynnfield.

A crack crew, of special forces, with men from every New England state spent Saturday surveying Silver Lake. All were reservists of the U.S. Army, with headquarters at Fort Devens.

The survey was made at the request of the Wilmington Board of Selectmen, a request made after the recent tragedy.

Two boats were used, to survey in a series of concentric circles, 50 feet apart, using both sounding rods and verification by divers. Each boat had duplicate crews. At each sounding the bottom was inspected, to determine the type of weed that existed.

Lt. Billy Nee of the Wilmington Fire Department stood by, ready to assist. He could, he told the crew, provide air for tanks, a boat, lunches. The Army crew needed

nothing, thank you. They had brought everything with them, including, in a couple of cases, their families, who waited in another room of the Silver Lake bathhouse, while daddy did his work.

Dear Mr. Morris:
Thank you very much for the superb article on the Marshall Homestead and my ancestors. I appreciated your leaving a copy at the house and have already reread it several times.
I have learned much and am

amazed at the amount of material you were able to obtain. I couldn't help but think that it was fortunate that Bill Baird wasn't on the scene during either Thomas' or Abel's lifetime.

With many thanks, I am,
Sincerely yours,
Ruth Marshall

More people do their own painting and decorating than just about anything else. This is largely because this sort of job is easier than any other construction work around the home.

But whatever your reason, you must not suppose that painting is as easy as opening a can. There is a right, professional way to paint, and a wrong way.

Before you do a painting job, find out the best sort of paint and tools to use, how much surface the paint will cover, and how much drying time you will need between coats.

When you need advice as well as paint and other supplies be sure to visit the experts at SWEEZEY HOME COURTESY CENTER, 413 Main St. 658-2001. We handle the Pittsburgh line of paints with as many as 700 colors for your selection and our stocks include a full line of unfinished furniture - dressers, bureaus, desks, gun cabinets, record cabinets, dinette benches, hutches and bookcases. Open daily from 9 am to 5 pm.

If you're at the age when you'd like to take things a little easier, we'd like to help out. So we've put together a special program for folks 65 and over.

The first thing we'll do is give you free checking. Absolutely free checking, with no minimum balance required.

And then to make that free checking account even easier, we'll take care of a few other banking details. We'll see to it that your social security checks or pension checks are sent directly to the bank and deposited safely into your account. That means you don't have to be home the day the check arrives. Because we'll be home. And you'll save a trip to the bank every month or every week.

Call or come in to the Middlesex branch office near you. We'll take it from there. And you can start taking it a little easier.

You're not getting older, you're getting free checking.

Letter

Chula Vista, California

Dear Lars:
As a public service how about printing the number drawn each week in the State Lottery so we out of state players can see how we come.

Thanks,
Steve Wendell

We can't and for a lot of good reasons. The first one being that the Town Crier is too busy watching the local pot on the home front.

There happen to be laws, too, about sending lottery information through the mails. The law is very much disregarded, true, but not by the Town Crier.

Incidentally, how do you get your Massachusetts Lottery tickets? By Pony Express?

THE FRIENDSHIP LODGE SPONSORS:

THE BLOODMOBILE

Wilmington missed the mark last time
by about 200! pints!

EIGHT NURSES: And only one customer. This was the scene at the last Bloodmobile Drive. Only 95 pints were donated and Wilmington lost the 100% blood coverage. By donating your pint of blood you can help Wilmington regain that coverage and assure for yourself and your family coverage even if Wilmington doesn't get the total needed.

**MASSACHUSETTS RED CROSS BLOOD PROGRAM
BLOOD DONOR REQUIREMENTS**

A donor must be in good health to donate blood. Red Cross trained Registered Nurses will evaluate all donors individually and confidentially to determine whether they should donate.

Nourishment:

Blood donors should eat a regular well balanced meal - either breakfast, lunch or dinner - within four hours prior to donation. Do not attempt to donate with an empty stomach. Avoid fatty foods such as butter, cream, ice cream or eggs.

Weight:

Both men and women must weigh at least 110 pounds.

Sleep:

Normal rest the night prior to donation.

Age:

Seventeen years up to 66 years. Those seventeen years of age must have written permission of parent or guardian. Those 66 years or over must have a statement from their personal physician written within two weeks of the date of donation.

Jaundice and Hepatitis:

Anyone who has ever had an attack of these diseases cannot be accepted as a donor.

Pregnancy:

Donor not accepted during pregnancy or for six months thereafter.

Malaria:

Anyone who has had Malaria may donate after three years. Anyone who has taken suppressive drugs may donate after discontinuing drug therapy for three years, provided there has been no malarious episode. Travelers from malarious areas are acceptable six months after return if no episode has occurred.

Epilepsy:

A donor who has had epilepsy or seizures in any form cannot be accepted.

Infectious Mononucleosis:

A person must wait at least six months after recovery so long as there was no jaundice.

Heart Disease:

Heart disease of any kind is permanent deferral. Uncomplicated Rheumatic Fever does not defer the donor. Donors with a resultant heart murmur from Rheumatic Fever should bring a note from a physician stating that it is safe to donate.

Chronic Sinusitis and Hayfever:

Donor is accepted if symptom free on day of donation and off medication for 24 hours. Seven day waiting period after desensitization shot.

Diabetes:

May donate only if he takes no medication - is controlled by diet.

Ulcers:

Conditions must be evaluated by head nurse since many factors are involved.

MONDAY SEPT 16**2 P.M. - 7:45 P.M.**FOR MORE INFORMATION
OR AN APPOINTMENTCALL 658-4832
658-2541**Shots:**

Immunization shots, including flu, and polio medication requires 24 hours waiting period. Desensitization shot for allergy requires one week waiting period. Smallpox vaccination (or after scab is off) and yellow fever shot requires two week waiting period. Rabies shot requires one year waiting period.

Surgery:

Not accepted as donor for six months following major surgery or serious illness. Serious accidents require adequate waiting period. Any receiving a blood transfusion must wait six months before donating.

Drugs:

In order to evaluate the prospective donor's medical history, the name of any drugs taken must be known. Antibiotics taken by mouth require a minimum of two weeks waiting period, except tetracycline for acne which requires only 48 hours. Shots of penicillin require one month waiting period.

Frequency of Donations:

Eight weeks must elapse between donations. For the protection of the donor, no more than five donations in a 12 month period can be made.

(Scuba divers must wait 12 hours, and pilots must wait 72 hours after donation before resuming such activity. Twelve hour waiting period for those climbing ladders or working in high places.)

Any questions as to acceptability must be evaluated and decision made by the head nurse.

LOOKING FOR SOMETHING DIFFERENT?

Consider a completely new job opportunity in a field where you are not used to a work station in a machine.

The constant growth and expansion of our company has created additional openings for:

ANIMAL CARETAKERS

Our large scale commercial breeding operation provides production oriented work in which an individual is responsible for the care, feeding, and breeding of our animals. No experience is required - merely a genuine interest in working with animals and we'll provide on-the-job training. You'll need your own transportation to get here, and you'll work from 7 a.m. to 3:30 p.m.

We offer a comprehensive benefits package which includes paid holidays, paid vacation, life and medical insurance, and periodic increases.

Visit us between 8 a.m. and 5 p.m.
We're located just 1 mile from Exit 29 off Route 93. Or call Mr. Andre Normand at 658-6000 to learn more.

People haven't talked this way about a company in years.

Listen to what one of our people has to say:

"When you work at Compugraphic you're treated as a person instead of a number. The atmosphere is friendly - there's a feeling of belonging. The benefits and wages are the best in the area. The work is challenging and CO's equipment and tools are always in great condition. I'm glad I found Compugraphic."

"I found CG"

We are the world leader in computerized phototypesetting equipment, because people like you helped us get there. Last year alone we promoted 2/3 of our employees. So you won't have to worry about advancement at Compugraphic. We're building a 100,000 sq. ft. addition, so you'll have room to grow right along with us.

Fabrication Mechanic

3:30-12 Midnight

You'll work with a variety of machines and power tools, doing elementary metal cutting, shaping and assembly operations. Good mechanical aptitude and physical dexterity are essential. Some experience preferred.

The modern equipment, air-conditioned facilities, excellent salaries, benefits, shift differentials and tool purchase plan are nothing less than you'd expect.

WILMINGTON RECREATION
TIDBITSGirls ice hockey
set for second season

The Wilmington Recreation Department will sponsor two teams in the expanded Merrimack Valley Girls Hockey League, which will begin its second season on Saturday, October 12th.

The Division I entry will play a 25 game schedule with all games listed for Nashua Gardens on Saturday nights, meanwhile the Division II club will play one game every weekend, either Saturday or Sunday morning at a site to be determined later this month.

Tryouts for the Recs' two entries will take place at the Forum in Billerica beginning next Tuesday, September 17th at 9:30 pm. The second of the three workouts before the selection of the clubs will be on September 24th at the Forum from 9:30 to 10:30 pm.

Beginning with the third tryout on October 1st all practices during October and November will begin at 4:50 pm on Tuesdays at the Forum. From November to March the girls will skate from 6 to 7 pm every Tuesday at the Forum.

The Recreation Department will provide the jersey and stockings for the league games, while the girls must provide their own pants, helmet, mouth guard, shoulder pads, shin pads, hockey gloves, elbow pads, hockey skates, suspenders, garter belt and stick. Figure skates may be worn instead of hockey skates if the tips are filed off.

any girl, who will reach her 10th birthday before January 1, 1975 is eligible to participate in the program. There is no maximum age in the MVGHL.

Once again this season Carl Backman will be on the coaching lines handling the Division I, while Jay Dizacomo will coach the Division II entry.

For further information call the Recreation Office at 658-6512 or Rec Leagues Coordinator Bob Dicey at 658-5239.

Figure skating season
opens in Wilmington

The Wilmington Figure Skating Club will open the 1974-75 season on Monday September 30th. A pre-season meeting to acquaint parents with the figure skating program will be held at the Youth Ice Arena on Monday evening, September 16th at 8 pm.

Club officers will be present to answer questions anyone may have. Fred Cooke will be on hand and will demonstrate the need for purchasing properly fitted, quality skates.

The club's program includes a new 12 week evening lesson session starting Tuesday October 1st at 8:40. Instructors will teach the basics of figure skating to anyone 12 years old or over. A reasonable knowledge of skating is necessary. The club will also sponsor a group patch session (school figures) with a professional instructor on Thursday afternoons.

General skates which provide practice time will begin on Tuesday evening October 1st. Members and non-members may skate for \$1.00 per person. Monday and Thursday morning programs, 10 am to noon, will begin on September 30th and will cost \$1.50 per person. Professional instruction will be extra.

Further information on these programs may be obtained by calling Mrs. Catherine Murphy at 658-7582.

THE FROSH HARRIERS

THE FROSH: Pictured here are the freshmen representatives of the W.H.S. Cross Country squad. Front, kneeling l. to r.: Mark Warren, Artie Baker, Gary Russo, Jay Walden, Greg Moulton, Ron Dickerson, Tim Sughrue, Kevin Callahan. Rear: Coach Frank Kelley, Tom Walsh, Louis Beueche, Bill Zimmerman, Beth LeFavre, David Jamsochian, Gary Gable, Bill Blaisdell, Mark Harvey, and Tom Arnold. Missing is Mark Peabody.

VANDALS, PART TWO

IT ISN'T NEW: But it is just one further example of the destruction being carried out at the High School by persons unknown. The fence behind the shops, bordering the field hockey field has been distorted beyond repair and must be replaced before play can start.

Tourney underway

The Wilmington Tennis Club kicked-off its 1974 Annual Tournament with a field of 52 entries, and an abbreviated schedule of weekend matches, due to Saturday's rain-out.

Twenty-two first round matches got underway on Sunday, including men's and

women's singles, and the start of mixed doubles competition. This week's tournament matches will include second round singles action, as well as Men's and women's doubles play. All matches are scheduled for the Avco courts.

ADULT HOCKEY
LEAGUE

The first meeting of the Wilmington Adult Hockey League will be held on Thursday September 12 at the home of Jack Cushing, 3 Ring Avenue.

Any teams interested in joining should attend this meeting with their tentative rosters. Any additional information may be obtained by calling 658-0855.

This is an adult no-check league with games at the Youth Ice Arena on Sunday and Wednesday evenings. Each team plays two games a week - open to Wilmington and Tewksbury teams.

POP WARNER
FOOTBALL

Chargers take two

Wilmington Pop Warner Chargers A and B teams are off to a great start with an impressive victory by both teams against Lawrence.

The final scores were Wilmington A team 34, Lawrence A 20; Wilmington B team, 14, Lawrence B, 6.

C TEAM SCHEDULE

All games will be played at the Town Park.

September

21, 9 am to 10:30 am, Dolphins vs Golden Bears; 10:30 am to 12 noon, Trojans vs Redskins.

October

28, 9 am to 10:30 am, Golden Bears vs Trojans; 10:30 am to 12 noon, Dolphins vs Redskins.

5, 9 am to 10:30 am, Dolphins vs Trojans; 10:30 am to 12 noon, Golden Bears vs Redskins.

12, 9 am to 10:30 am, Trojans vs Redskins; 10:30 to 12 noon, Dolphins vs Golden Bears.

19, 9 am to 10:30 am, Dolphins vs Redskins; 10:30 am to 12 noon, Golden Bears vs Trojans.

26, 9 am to 10:30 am, Golden Bears vs Redskins; 10:30 to 12 noon, Dolphins vs Trojans.

FOOTBALL?, WHO CARES!

FOOTBALL: Isn't the most important thing in the world. Jane Conlon and Tammi Olivera face off in field hockey practice, ignoring the football squad in the background. The W.H.S. distaffs opened practice this week, and will open regular season action in two weeks against Billerica.

Austin Prep now has development office

The Board of Trustees of Austin Preparatory School, and Father Robert Walsh, Headmaster have taken a page from the College and University Handbook by announcing the formation of a full-time development office.

The school trustees, not only concerned with the continuing upward rise in operational costs and faculty salaries, are equally concerned that all present tuition money must be used for current

operational expenses, allowing little to be used for the development of future facilities and programs.

Robert J. Jenkins, of Melrose,

past business manager of the school, has accepted the responsibility of directing all development efforts. Scholarships, industrial contributions, foundations, individual grants, memorial gifts, as well as more conventional fund raising efforts will all be explored and used to their fullest.

The new Director of Development has also placed great emphasis on the roll to be played by Austin parents. Mr. Jenkins states that parent support, although very necessary, must be used with great discretion because of each one's present fight against today's economic situation.

Orville Bellrose of Atkinson, N.H. has recently joined the staff of Austin and has assumed the duties of Business Manager being responsible for all business-type matters in the day to day operation of the school.

She speaks to Rotary Clubs in Chinese

RILLA EDWARDS: With president Harry Mulca of Tewksbury Rotary and John McEllan of the Wang Laboratories.

Rilla Edwards is from Saskatchewan, Canada. She describes herself as being from "150 miles out in the country." She is a well traveled young lady who, during the past year has spoken to eight Rotary Clubs in the Chinese language, the eighth being that of Tewksbury, where only a little Chinese was spoken. That was on September 5th when she was the guest at the Rotary Club luncheon.

Rilla is a Rotary Fellow - one of the 1500 young people who, each year, are chosen for study in a foreign country, through the Rotary Foundation program.

The Rotary Club of Taipei, in Taiwan, provided her scholarship, and she was sponsored by the Rotary Club of Melford, in

Saskatchewan.

Taiwan, of course is that part of the Chinese world which is the Nationalist government, under Chiang Kai Shek. Once upon a time, until after the time of World War II, it was known as the Island of Formosa.

Rilla spent nearly a year in Taiwan, from August 1973 to July 1974.

Before receiving her Rotary Fellowship Rilla had received a degree from college in American Literature and English. Then she joined the Canadian equivalent of the Peace Corps, and spent several years teaching in Borneo. She said nothing of this, but one can presume that the young lady is able to converse in the Malay

language, or perhaps one of the dialects of the Dyaks or other tribesmen of that country.

She found her experience in Taiwan to be very satisfying. It helped her, she says, to grow as a person. She is very grateful to Rotary for her fellowship, and to Rotary Taipei for sponsoring her.

In Taiwan she studied the Chinese language - Mandarin. She studied for a year at the Mandarin Center, with two hours of tutorial teaching every day. She spent a lot of time in the streets, and did all her shopping in the local markets.

Rotary Taipei, her sponsoring club, impressed her very much. It has been in existence as a club for 25 years. She was always impressed by the affluence and wealth of the members. The younger son of Chiang Kai Shek is an honorary member of the club.

The club does a great deal of work for deaf people.

It was in Rotary Taipei that she met John McEllan, of the Wang Laboratories in Tewksbury. John was spending a year in Taiwan, with the Chinese office of Wang, and he induced Rilla to make her first appearance after Taiwan before the Tewksbury Rotary, when she returned.

Before she left Taiwan, to return home, she had spoken in seven different Rotary clubs, always in the Chinese language.

WILMINGTON DIET WORKSHOP OPEN HOUSE

The Wilmington Diet Workshop will hold an Open House on Thursday, September 12th at 7:30 pm at the Congregational Church. The public is invited to attend without obligation.

More details may be obtained by calling 658-8225. Men, women and teenagers will be welcome to join at the conclusion of the Open House and at future meetings.

Congregational Church to present 'No Need to Hide'

On Sunday, September 15th, the Wilmington Congregational Church will present "No Need to Hide" a heart-warming color film that retraces the life story of Nicky Cruz, a former warlord in the ghettos of New York.

Art Linkletter, travels with Nicky on a return visit to the ghettos of Manhattan to meet former friends. Together they retrace the steps and describe the life that made Cruz, at 18 one of the most feared gang leaders in the Bronx. Then he had a personal encounter with Christ.

No Need to Hide will be shown, admission free, beginning at 7 pm. The public is cordially invited.

KIM JONES TO WED IN MARCH

Library Dinosaur has no name

There is a majestic dinosaur in the Wilmington Memorial Library, standing up on the second floor. It was made, during the summer, by more than 70 members of the Library's Dinosaur Club having a part in the project.

The dinosaur has no name. That's the trouble. So there is a contest, to find a name for the second floor pet. Anyone interested may enter by filling in a card in the children's room of the library.

Children's room staff members

who worked with the youngsters

and are anxious to get a name for

the pet are Barbara Taylor, Mrs. Sarah Foster, and Mrs. Phyllis Allen. A volunteer was Mrs. Ellen

Heigham of Lawrence Street. All agree that the pet is a fine specimen of Tyrannosaurus Rex, but that it must have a name.

The contest will close on Saturday, September 27th, and the winning name will be announced on Monday. There is no limit to the number of entries for any person.

The award for the winner will be quite appropriate - a book about dinosaurs.

THE POOR DINOSAUR CAN'T GET A LIBRARY CARD. Because he has no name. In the photo he towers above the Assistant in the Children's Room, Phyllis Allen of 342 Webber Street. Others who are trying to get a library card for the dinosaur are Barbara Taylor of Grand Street, Scott Romanowski of Sherburne Place and Brian York of 49 Shawheen Avenue.

Random items in the selectmen's meeting

Two streets have had their names submitted, for Betterment Acceptance in the annual Town Meeting next March. The names were read Monday, in the Selectmen's Meeting - Cleveland Avenue and Winston Avenue, both in the westerly part of Wilmington.

The selectmen voted to establish a Traffic Officer near the Wildwood School, on suggestion of Mike Cairns. Cairns told his fellow selectmen that the cars come "bumping through" near the school. Mr. Miceli noted that this was a street on which sidewalks had been proposed, but they had been turned down by the people of the street.

The board voted four to one to deny an all night permit to the Jack in the Box, on Main Street. There was a short discussion. The Chairman noted that an all night license could be done on a trial basis, and selectman Mike Cairns spoke up to say that the selectmen had already established a precedent in granting an all night

license to the Dunkin' Donuts shop. Mr. Cairns could see nothing wrong in granting a three months trial, or a full time license "because we can always revoke it."

Jim Bands remarked that he would rather see shops closed, after a regular closing hour, each night, and Danny Gillis observed that he couldn't see how Wilmington could get along without Dunkin' Donuts.

The vote was four to one against an all night license for the restaurant. Mr. Cairns being the

only selectman to vote in favor.

The Wilmington Lions Club is to conduct a Flea Market next Sunday, at the Wilmington Plaza.

The selectmen discussed the case of the taxes for a man who is a paraplegic. Being a total paraplegic he apparently is entitled to a total abatement of taxes. The disability is not connected with service in the Armed Service. No decision seems to have been made, Monday.

Shawheen Avenue was discussed briefly. The situation is making the selectmen uneasy. The road is in poor condition, near the Kinnon Farm, and the selectmen expect things might get worse.

There was a case of a person who wanted to use Carter Lane, from Shawheen Ave., leading to the West Intermediate School, etc., to go through to Route 3, in the morning. The selectmen would have no part of it. Mr. Miceli finished the discussion when he said "in no way would I vote to
